

DROP DECK TRAILER ORDER FORM

Rev. 09-20 | Page 1

ShurTite™ tarps are custom-made to order and are non-returnable, so the correct physical measurements are essential for proper tarp fit. Be sure to provide all requested information or your order may be delayed. Do NOT use universal body or trailer sizes. Instead, use ACTUAL MEASUREMENTS provided in INCHES.

Use diagram below to help determine correct measurements for ordering. Trailer **MUST BE AIRED UP** and hooked to the truck or the fifth-wheel height set to 48" from the ground BEFORE taking measurements. Width of deck is from outside rub rail to outside rub rail. Additional information needed is noted on reverse side.
