

BUILT TO BE THE BEST.

# DURABUILT™

## DIRECT-DRIVE MOTOR

D014FL-0819

### DURABUILT DIRECT DRIVE MOTOR

## THE INDUSTRY'S BEST-BUILT MOTORS!

### Universal Tarp Motors

- **Five Mounting Holes**  
Fits All Competitor's Mounting Plates
- **Extended Output Shaft**  
Features Two Roller Bar Attachment Hole To Fit Any Brand Tarp System

All Motors Come With A Chrome Motor Cover

*\*NOT TO SCALE*

- **90:1 Gear Ratio Provides Extra Torque**
- **100% Sealed Motor And Gear Casings**
- **100% Quality Control Tested**
- **Replaces All Competitors Motors**
- **Fits All Competitor Front-To-Rear Systems**
- **3-Year Motor Warranty**

All Motors Have Sequential Serial Numbering And Are Manufacturing Date Stamped

**P/N 1704878**  
 • 12 Volt, 900 Watt  
 • 3-Year Warranty

**P/N 1800716**  
 • 24 Volt, 900 Watt  
 • 3-Year Warranty

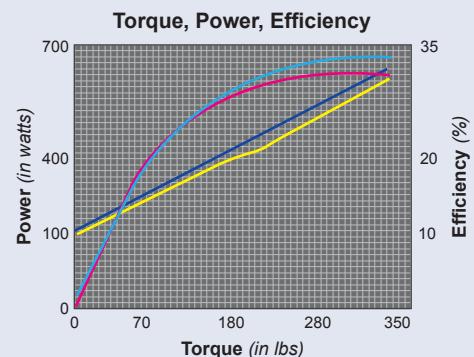

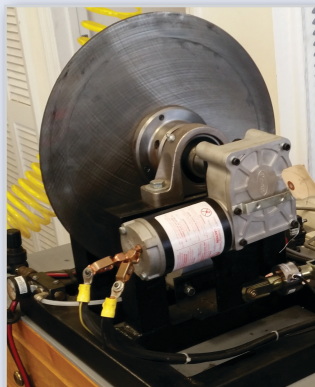

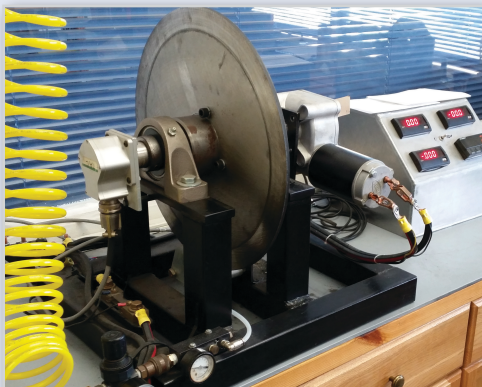

**P/N 1802061**  
 • 12 Volt, 600 Watt  
 • 3-Year Warranty

**P/N 1802066**  
 • 12 Volt, 600 Watt  
 • 1-Year Warranty

## 100% Quality Control Tested

### Testing Parameters

- **Input Power**
  - Supply Voltage
  - Current
- **Output Power**
  - Drive Shaft Speed (RPM)
  - Torque
- **Durability**
  - Cyclic Testing
  - Field Testing

### Guaranteed Quality And Value

High-precision test equipment is used to characterize all motors, including competitor motors, at real work-load conditions. Data is automatically recorded and charted for quality control and brand comparison.

Characterization testing is followed immediately by life-cycle stand testing and field testing. After that, motors are disassembled and inspected to ensure Shur-Co® always provides the best motor at the best price.
